MESSAGES received by automatic writing in BUSS Mediumship Meetings with Groups Workers every 2 months.

Children of my soul!

You begged for the blessed opportunity of a new incarnation at this time of the Earth's history and you were granted this.

Do not waste the time that is available to you, but wisely use the talents and teachings that you already have.

You are not new to the Crusade of the Lamb, but now, with open eyes you are invited to give your conscious and fraternal contribution to free Christ's message from the shackles of the intellectual and religious elites.

Live like the first Christians, who happily went to their trials, as they had no doubts regarding Christ's message.

The time is now!

Now you can change the course of your lives to ensure a happier future!

Now is the time to allow Christ to be reborn in your hearts.

Now is the time to send up to the high above thanks for this blessed opportunity to reincarnate.

Not tomorrow, today!

Think about this and be of good cheer, for the dawn of the new epoch is awakening.

Fraternal greetings from the Spiritist Spirits.

Message received in the BUSS Mediumship Meeting on 18th March 2016
